Please fill in this form in English and attach at least one photo of the accommodation at the bottom of this document. Save this document as a **pdf file** and name it: *AccommodationOffering_surname_firstname*.

Please upload the completed form together with the **pdf document** "Conditions for participation" to the online application form.

The Accommodation Offering **can only be considered** for your TUM SOMex application when the document "**Conditions for participation**", document's name *Conditions_surname_first name*, is **submitted as well!**

If you want to sublet your accommodation for a longer time than the mandatory period, cross out the minimum time period and insert yours. **Please note:** If you have stated availability that exceeds the mandatory rental period and an exchange student is only able or willing to rent within the mandatory period, **this is not a valid reason to refuse their request.**

While some students may take advantage of the extended dates, others may only need the mandatory timeframe. We kindly ask for your cooperation in accommodating all eligible requests.

Example:

X Sep. 15th ~~Oct~~ – Feb 28th

Please be aware that you are not allowed to shorten the period!

The compulsory time periods are:

- For a sublet within the winter term: **beginning October – end of February**
- For a sublet within the summer term: **beginning April – end of August**
